Candidate list of substances for Annex XIV (SVHC) of Regulation 1907/2006/EC (REACH) and Directives 2011/65/EU and 2015/863/EU (RoHS)

Dear Ladies and Gentlemen,

We hereby assure:

- that all products supplied by us fully comply with the material requirements of Annex XVII REACH Regulation in the version valid at the time of delivery of the respective products. Insofar as substances listed in Annex XVII of the REACH Regulation are permissibly contained in the products, we have declared this accordingly in the following table.
- that the products supplied by us do not contain any substances that are listed in the Annex XIV REACH Regulation current at the time of delivery, regardless of whether or not there is an authorisation for a specific use.
- that the products delivered by us do not contain any SVHC with more than 0.1 percent by mass (w/w) in relation to the respective products of which the products are made, which are listed in the candidate list current at the time of delivery. If, exceptionally, this is the case, we have declared the SVHC in relation to the respective product in the table below.

In addition, we can inform you that, to the best of our knowledge and based on the information provided by our suppliers, this GETT article also complies with the requirements of Directive 2011/65/EU and Delegated Directive 2015/863/EU (RoHS).
